

## More reviews of *Solo Voyage*

**JAZZ NOW:** “the perfect measure of a solo album...one of the most satisfying records of this year and highly recommended.”

**THE SKANNER:** “...this delightful voyage by pianist Denny Zeitlin... is exactly what one familiar with Zeitlin would expect—exquisite, soulful interpretation of substantive compositions.”

**MIDWEST RECORD RECAP:** “Dazzling doctor Denny really goes it alone...heads off into a bunch of originals and covers that he brings something special to...Zeitlin shines in the spotlight well...always tasteful and tasty, every piano jazz fan ought to own a fixed media copy of this and play it often.”
